

Important Instructions

In case, after making payment,

1. If you have not waited for auto redirection back to University Site or abruptly closed the browser or clicked back or clicked any button while remaining in payment gateway page etc, please note that it may take 24 to 48 hrs to get your payment status as "Success" in the University web page.

2. Similarly once you received payment success confirmation by SMS, please do not attempt to make payment again but wait for redirection to the University web page.
